

Ohio Airgun and Field Target Shooters Association (O.A.F.T.S.A)

September 17, 2017 Match Report

Attendance was great for our September match. Twenty seven shooters enjoyed a beautiful late summer day. Temperatures reached the low eighties with sunshine and very little wind. We could hardly ask for a better day to shoot some field target.

This month we were without our regular course planner, Tyler Patner, who is off to England and Wales to shoot field target with the big boys. He will be attending the World Field Target Championship in Wales next weekend while this past weekend he shot the European Championship. The course planning duties fell to Jeff Paddock as Bill Rabbitt was also away in California. Hopefully, people were not too upset with the layout or difficulty. In reality the course was a bit easier than last month with a Troyer difficulty of 30.8.

After a slightly rough start where we saw about four cold lines in a row due to a faulty target, the rest of the match seemed to go off without a hitch. Mark Evans brought his grandsons, Cameron and Matthew Evans, who shot junior class piston with Cameron besting his brother with scores of 39 and 34 respectively. Dan Putz brought his daughters, Natalie and Gwen, who both shot hunter class PCP on our normal course. Natalie shot a 26 while Gwen shot a 20. Cory Bach brought his daughter, Allison, and she took the top Special Junior PCP award shooting a 46. Gianni Defrancisco was convinced by Tim Baylor to give FT a try and he did a great job shooting a Marauder. Dave Kovach was also back out trying an Air Arms S500. Roger Barker shot a personal best and match high score of 55 in Open PCP. Great job Roger! Rick Smelko won Hunter PCP with a score of 50 and Dan Putz shot an impressive 49 in Hunter Piston. Jeff Paddock shot a 47 in WFTF Piston.

Following the match we were treated to a delicious lunch provided by Bruce Scott which included pasta with a red sauce, meatballs, rolls and cookies for dessert. Thank you again Bruce! We would also like to thank Larry for bringing out his camera again to allow squad members to take action pictures of each other while shooting a lane. Thank you to Tim Baylor for leaf blowing our lanes before the match and to all who stuck around afterwards to help tear down the course.

Our next match is scheduled for October 15th, weather permitting. We hope to see you there.
