

## **Ohio Airgun and Field Target Shooters Association (O.A.F.T.S.A)**

### **September 25, 2016 Match Report**

We set a new record! On September 25th, OAFTSA saw 27 shooters come out to shoot. It was a beautiful day with very little wind. Which quite frankly, was a bit of a let down because Saturday's course set up was astonishingly windy. In our last match before the Nationals, we decided to bring along 30 targets, and let everyone there for set up take whatever they wanted to set a lane. There were a few sub-1.5" KZ's over 45 yards, and there were a lot of ¾" and 1" mid range shots falling into that 30-40 yard range. It was a challenging match that didn't see any real wind come along until the last lane or two.

If I had to guess, the troyer was about a 31 or so. We also added a few low tree shots to mix things up. One fell on the kneeling lane, which I know gave a few shooters fits. It was great to see such an incredible turn out here in Northeast Ohio. With Nationals right around the corner, this was our last chance for some real match prep and I believe it served many well. We will see how things shake out in Michigan though.

We do have a tentative match set for the end of October, on the 23rd. We will see if the weather will continue to smile on us and allow one more FT match for the year. We will keep everyone posted. See ya at Nationals!
