

Ohio Airgun and Field Target Shooters Association (O.A.F.T.S.A)

August 16, 2015 Match Report

The Ohio Airgun and Field Target Association had its largest turn out to date for its third match with a total of nineteen shooters. Cory Bach and Kristen Coss from Pyramyd Air came out to give field target a try and did fairly well. We had several returning regulars plus a few newcomers like Richard Himes, brother of Thomas and Dennis Himes who was accompanied by his wife, Diane. Dan Putz, another first-time field target shooter, brought his daughter and shooting assistant, Natalie. Mark Oehlberg took a break from his grueling work schedule to join us again as well. We were without Tyler Patner this month as he was in route to Lithuania for the World Field Target Championship. We wish him safe travels and good luck shooting for team USA.

The course was similar to last match with fifteen lanes and two targets per lane with the addition of a couple of mid-height tree stands that lifted targets about five feet off of the ground. Although the weather called for sunshine and temperatures in the upper 80's we were spared a bit as it seemed like it never got as warm and humid as originally expected. Wind was not a major factor although there was a short period in the early afternoon where it picked up but returned calm for the remainder of the match.

Dennis Himes tied with Bill Rabbitt in Hunter PCP and overall match high score with a 56. Bill decided to forgo a shoot-off and the award was presented to Dennis. Skip Tenney took the Open PCP award with a 45 while Keith Walters once again took the Hunter Piston honors with a score of 41. Camille Sizemore added to her collection of awards as she again took Junior honors with a 42.

We would like to thank those that stayed after the match to help clear the lanes. It is much appreciated. Also special thanks to Larry Justinus for rushing around to take photographs and Kristen Coss for providing the great brownies and pasta salad added to our lunch.

Since some of us will be shooting in the Pyramyd Air Cup on September 11-13, there will not be a September match at Crooked Creek Conservation Club. Our next match is scheduled for October 4th with a match start time of 10:30am. If you are interested in one of our matches please visit our website at <http://1.ohioairgunners.com/>. We hope to see you out on our lanes.
