

## Ohio Airgun and Field Target Shooters Association (O.A.F.T.S.A)

### May 3, 2015 Introduction to Field Target Clinic

Wow! OAFSTA's first event, a Field Target Clinic with Mini FT Match held May 3rd, was very, very fun. You couldn't ask for better weather, warm and sunny with a high of 79° and low humidity. We had a total of twelve participants for the Clinic. Everyone had great fun shooting the FT and sight-in targets, and six of us shot the mini FT match. Unfortunately Bob Ellis had a seal go on his TX200 putting him out of commission for the mini match. I'm sure this will not keep Bob off the roster for June 21st! Not surprising, Jeff Paddock shot the high score for the mini match, 10 out of 12 possible points. My most sincere thanks go out to all who attended and to Tyler Patner, Rick Smelko, and Bill Rabbitt who helped make this clinic happen. Also, thank you, Mark Oehlberg for your excellent gift to OAFSTA of the 200 foot field tape. We'll be putting that tape to good use very soon.

Below are the match results and a group picture. I hope to see you all and many new faces at our first full size match on June 21, 2015!
